**I have fulfilled my foreign language requirement in high school:**

☐ I enrolled in UTA directly from high school on or after the Spring 2018 semester, and UTA has a digitized copy of my high school transcript available to the CSE department.

☐ I enrolled in UTA before the Spring 2018 semester, or as a transfer student, and I am submitting a copy my high school transcript to show I have **two years of passing grades of the same Foreign Language.** I am aware that submitting a copy to the University is not the same as submitting a copy to the Department.

NOTE: High School transcripts can come from your high school or the records office of your previous institution. They do not need to be official copies.
